FUN! Please join us to create a terrarium or succulent arrangement/pumpkin

This workshop is a potting bar style which means you are the designer! First, choose your container or pumpkin for your masterpiece. Second, hand-pick as many sweet succulents, cacti or terrarium plants as you would like to use for your planter or pumpkin. Then, our plant experts will guide you, step-by-step, in creating your beautiful and unique arrangement.

The \$20 ticket purchase prior to this event covers your reservation, a mimosa, expert instruction, soil and moss. The cost of the planter and succulents that you use are priced a la carte and will be paid at checkout the day of the event. Design a miniature garden or go big, and put together a large centerpiece. The size is up to you. Participants will get a 10% discount on all plants and containers (pumpkins not included).

This succulent potting party is limited to 12 people. Each person must pre-purchase a ticket to participate. Walk-in space might be available, but there is no guarantee. Please do not bring your own planter or plants to the event.
